18 March-Mother's Day Concert

## News from Pre-4B

The month of February was fun and knowledge filled for Pre-4B class. We introduced and understood the concept of staying healthy. We discussed the different kinds of healthy food, vegetables, fruits and importance of drinking water. We had Walkathon in the compound, exciting Sports Day and Silly Hat Day Parade activities which kept us energetic through out the month. As a part of class activity we made a fruit and vegetable salad in which the children took pleasure to participate. We have started reading and writing small sentences using small words. Reading is the key to creativity, please ensure and help your child to read.

## Admissions open at Al Luqta Nursery Branch

We have spaces available at our Al-Luqta Nursery Branch. The accepting age is from 2 months up to 4 years. You can contact us at 44355223.
