11 Nov-Royal Circus, Pre-4B/4C & KG
21 November-Teddy Bear Picnic

Eid Party & Silly Hair Day Pictures!

Word from Miss Daina-Pre-4C

October was a very busy and exciting month filled with celebrations and Eid festivities. We did lot of art work, finger painting and much more. In November we will continue with our monthly theme based studies. Each week we will celebrate two different letters. We will have stories, songs, finger play, and art projects for each letter. This part of our curriculum is designed to help your child with letter recognition, phonics and vocabulary development. We encouraged children to bring their favourite story books to the class. This builds communication and sharing skills. Students love showing off their books and wait eagerly for them to be read. We at Pre4C are looking forward for an amazing rest of the year where adventure, education, fun, and learning never stop!
