

Eldertree Kindergarten—Ain Khalid

Oct 2013

Issue 1

Welcome to EldErtrEE kindergarten

We welcome our students and parents to new academic year 2013-2014 at EldErtrEE kindergarten. It is a new beginning for some of the students to make new friends, getting into a new routine, sharing the toys and learning lots of new things each and every day. We hope it will be a year filled with many wonderful experiences and opportunities of learning and growing. Parents too share an equal responsibility at home by spending quality time everyday with the child helping to read, write, draw and play. Working hand in hand will show great results in child progress.
