

Eldertree Kindergarten—Markhiya

April 2011

Issue 7

Forth Coming Themes in May are:

Pre 2— Lets Hit the Road

Pre 3— Transportation

Pre 4— Around the World in
30 days

KG — What's the Message

Back to School—Term 3

Well here we are back to school after a lovely weeks break. This break has given the children and the staff a well earned rest as they all have been working very hard during term 2.

We now only have 10 weeks left till the end of this academic year, so, its full steam ahead to complete the programme of education for the children. Up to now we have all had a great year and hope you are as happy with your child's development as we are.

Term 3 Fees

Fees need to be paid by 27th April. After this time those who still have not settled their account will be requested not to bring their child to the Kindergarten until the payment has been made. Letters have been sent to parents to inform them of this information.

April Trips

All the children have been to Pizza Express this month and learnt how pizza's are made and they had the experience of making their own, choosing from many toppings to make it just as they like it. They all had a wonderful time (see pictures on the next page)

Forth Coming Event in May GRADUATION PARTY

The month of May will see the presentation for the Graduation Programme. This will take place on the 26th May (time and venue to be confirmed). This day is to celebrate the future of those students who will be leaving us to attend Primary School next year.

The children from Pre 3, Pre 4 and KG will be presenting a programme of song and dance, each class doing their own piece. The teachers will be contacting parents regarding any costumes that will be required so please check your communication book daily. The children will be working hard practising so please help your child with the words of the song at home so they can give their best on the day.

During this year at Markhiya the children have proved themselves many times to be very creative and many have shown talent when it comes to performing. We would like to make our last event of the year a memorable one for parents, children and staff. So your support will be invaluable to this success.

Quran Celebration

The children received certificates for their participation and success in the Quran Competition last month. Parents attended and shared tea and cake..

Event—International Week 24th—28th April

All the children took part in a week of cultural understanding looking at the different nationalities/countries that make up their class. They learnt about the flags, food and clothes of the countries and shared national food on Thursday. The children had a great time and even at an early age we hope they gain insight and understanding about other people around the world.
