Children should arrive promptly for 7.00am as their day starts at 7.15am. The first lesson Circle Time, is the most important as the children participate in welcoming each other, take part in the learning songs and learn about what they are doing that day. So please make sure your child arrives on time as this will enable him/her to enjoy and develop from all the activities provided at the Kindergarten.

Pre 4 24th January Plant Nursery

Qatar National Day—December 16th 2010

All the children and staff had a wonderful day celebrating the lead up to Qatar's National Day. We hope for those parents who attended they were thrilled by the performance of their child plus all the other children who took part.

Bus Service

Please make sure your child is ready for when the bus arrives. As any lateness will cause delays in collecting other children.
