News from Pre-3B

Our theme for the month of April was "Under Construction" and the kids got an opportunity to dress up as construction workers. They also got to see how a crane functions and what are the safety measures used while operating it. We reinforced the concepts of alphabets, colours and shape recognition through fun games. We celebrated International day at the kindergarten and our class represented "Canada". I take this opportunity to thank Ms. Catherine (parents of Calista) who did a wonderful presentation on "Canada" and made the day memorable by giving all the kindergarten children little souvenir.

International Day Pictures

On 24th April we had International Day at the kindergarten and we got to see colourful costumes from all over the world. Parents brought in special dishes representing their country. We thank one and all parents for co-operating and supporting us in such events. This year we had countries like Philippines, USA, India, Argentina, Spain, Canada, Colombia and last but not the least Palestine. A special thank to all parents who supported the teacher with the respective country presentations and souvenirs.
